

Byfield Parish Council

Allotment To Rent

An allotment has become available in Byfield and is now initially offered to Byfield Parish Residents only. The plot is fenced and gated and comes with an existing fruit cage. It requires some work to tidy it and make it fit for purpose but with a little effort it could become a productive and rewarding site.

For more information please contact Cllr Lindsay Clark lindsayclark.bpc@gmail.com If no Byfield parishioner comes forward by 31st May 2021 then the Parish Council will consider expressions of interest from neighbouring villages.
